

## Folding Butterfly

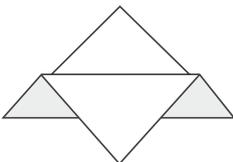

- 1 Open the napkin fully and fold diagonally so that the long side is to the top.

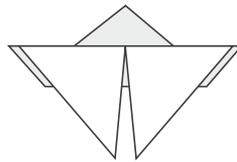

- 2 Fold both tips of the long side down to the centre tip to form a diamond shape.

- 3 Turn the napkin over and fold the bottom half up to the top.

- 4 Turn the napkin over again and fold the top corner down as indicated.

- 5 Turn over again and fold along the centre to create the butterfly.
